**“THE
SCIENCE IS
SETTLED...
LIFE BEGINS
AT
CONCEPTION”**

U.S. Senator Marco Rubio
ABC Interview, 2014

“What are you prepared to do?!”

With these words in the 1987 movie, “The Untouchables”, gritty veteran police officer, Jimmy Malone (Sean Connery), challenges Federal Agent Eliot Ness (Kevin Costner) to really think about what he is personally committed to do to fight crime, and to bring the notorious Al Capone to justice.

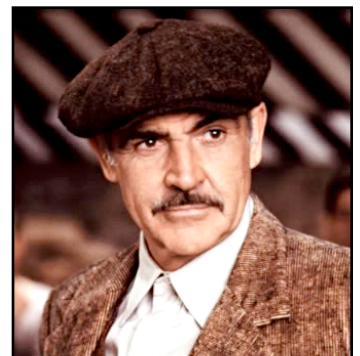

Ness faced Chicago’s entrenched culture of crime and corruption during Prohibition. Today, we face a pervasive culture of death and seemingly untouchable forces that seek to enshrine abortion as a sacred “right”. *So what are YOU personally prepared to do?*

October is Respect Life Month. Here are a few ways to put your faith into action:

Pray. Never underestimate the power of prayer to touch the “untouchables”. See opportunities under “Upcoming Events” (*right*).

Give Alms, Volunteer. There are local pregnancy resource centers that desperately need our time, treasure & talents. You can also support the pro-life work of Camden Diocese in the October 4-5 Special Collection.

Write. Be a “voice for the voiceless” with a pro-life opinion letter to your local newspaper, or call your elected officials to support pro-life legislation.

Parishioners Respond Generously to Pregnant Women in Need

Thank you to everyone who donated strollers, a playpen, baby clothing, a crib and new car seat to two local women in need. Both moms expressed great gratitude to you and to God for these much-needed gifts.

Still needed: a small "Pack-and-Go" playpen to accommodate a small living space. Call Tracye at 856-770-8488 if you can help.

10,000 Reasons to Support "Options for Women"

The Cherry Hill pregnancy resource center, "Options", is holding a 50/50 raffle. Only 850 tickets will be sold with a potential grand prize of **\$10,000**.

This wonderful organization is only BLOCKS AWAY from the Cherry Hill Abortion Center on Kings Highway. Many babies have been saved from abortion because their mothers were able to find help and hope just down the street. And that's the best reason of all to support "Options" through this raffle!

Tickets are \$5 each, or 5 for \$20, and will be sold after all Masses on the weekend of October 11 and 12.

**EVEN IN A BAD ECONOMY
PLANNED PARENTHOOD
MAKES \$ A KILLING.**

Planned Parenthood is the nation's largest abortion chain. Last year, it made \$58.2 million in profit while taxpayers funded the billion-dollar giant \$541 million. Abortion is their money-maker. No other "service" provided by Planned Parenthood brings in more money than abortion. It generates \$200 million annually as they abort 330,000 human lives every single year. And it makes their abortionists rich...very rich. Talk about income inequality! They don't end poverty, sexual abuse or your regret. They just make a killing by ending millions of lives for profit.
