PRO-LIFE NEWS

Messages in a Bottle

Did you ever put a note into a bottle and toss it into the sea, wondering its final destination?

When you fill the bottles to be distributed by our Knights of Columbus on Mother's Day with cash and checks, you will be sending a **message of hope and help**. And the final destination will be certain -- a pregnant woman in need.

Return the filled bottles on Father's Day weekend.

Donations will be given to a local pregnancy resource center. Last year parishioners donated over \$1,000 to benefit Good Counsel Home/SJ for homeless, pregnant women and their children.

For these mothers, adrift in a sea of fear and uncertainty, your charity is life-saving!

Five Famous People Whose MOTHERS Chose Life Instead of Abortion

JUSTIN BEIBER. The woman pictured with Justin is his mother who, at 17 years old, was urged to abort her baby, but she chose life.

POPE JOHN PAUL II. Doctors advised the mother of this future pope to abort him because of the precarious state of her health, but she refused. We owe a great deal to this mother!

TIM TEBOW. Doctors told Tim's mother: "An abortion is the only way to save your life." She and her husband prayed for a healthy child and left the rest up to God. Tim and his mother lived.

CELINE DION. When Celine's mother became pregnant with her 14th child, she wanted to abort. But a priest told her not to do it. Celine has often said: "I owe my life to that priest."

CHER. Cher's mother even went to the abortion clinic. But at the last minute, she changed her mind, and chose life.
