PRO-LIFE NEWS

Honoring a Radical Pro-Lifer in Colorado Springs

Excerpts from the Nat'l Catholic Register by Glenn Stanton

One pro-lifer who had never shown up at Planned Parenthood did so on Black Friday and made his presence known. He did something extremely radical. It was not the crazed and demonic lunatic that is unfortunately all over the news now. He is no pro-lifer in any regard. He is evil and did a deeply evil thing.

The radical pro-lifer I speak of is Officer Garrett Swasey, a policeman at the University of Colorado...

Officer Swasey knew what kind of place Planned Parenthood was. He knew what they did there. He strongly opposed it because of his faith. His conservative Christian faith... But he didn't think twice about racing to the scene, acting quickly to bring safety and protection to the victims, including the Planned Parenthood staff... He engaged the shooter and he died...

A good man sought to protect life, even those who were engaged in work he believed was reprehensible.

That is radical. That is Christian. That is PRO-LIFE.

Til They ALL Have the Right to be Born...

Once again, hundreds of thousands of pro-lifers will brave the cold and discomforts of the annual March for Life in Washington DC, to commemorate the dark anniversary of the Supreme Court's Roe v Wade decision on January 22.

Every year, the commitment gets stronger and the participants get younger, as we resolve to march until ALL children have a right to be born.

Mater Ecclesiae is sponsoring a bus again for this pilgrimage. Cost will be kept as low as possible thanks to the generosity of our Oblates of St. Jude. A RAFFLE for a beautiful statue of St. Michael the Archangel is also underway to offset costs of the trip. Tickets are \$1 each.

Raffle tickets and bus sign up sheet are available in the book store. Seat availability on the bus will be on a first-come-first-serve basis.
