

# PRO-LIFE NEWS

*“Something not human doesn’t become human by getting older and bigger. Whatever is human is human from the beginning.”*

**Randy Alcorn**

## *Another Record-Breaking Campaign*

*Baby Bottle Project Nets \$2,200*

The generosity of our parishioners was once again on full display for the Knights of Columbus 2018 Baby Bottle Project.

Our parish is small but mighty when it comes to supporting pro-life causes.

Thanks to your generosity, our Knights of Columbus were able to provide two local pro-life organizations with much needed funding to advance their important work with pregnant women and parenting families in need.

A heartfelt THANK YOU to all who participated in the campaign.

PS - Bottle return rates were the best ever too!

### ***Counting the Coins!***

*Special thanks to Republic Bank in Voorhees for allowing us to exchange BUCKETS-FULL of coins for paper bills.*

*The coin machine also spit out from the stream of coins: one SEPTA token, an Ocean City Amusement Ride token, and a Canadian quarter.*

**More photos from the Campaign on Page 4**

# ★ Broadway Has a New Star!

It was a dream come true for the Helpers of God's Precious Infants, as "Helpers Academy" -- a new pregnancy resource center -- opened its doors on July 17.

Abortion-minded women and pregnant women in need will find a warm and welcoming haven where they can receive emotional support, as well as help in obtaining: a job, education, housing and drug treatment. It's a place where they can also discuss adoption options.

*Helpers Academy, located at 138 Broadway in Gloucester City, is a storefront, easily accessible, new pro-life resource center.*

*Monsignor Hodge, pastor of St Mary parish in Gloucester City, offers his blessing during the building dedication.*

*Praying the Divine Mercy*

*Pro-Life Apostolate member, Barbara Coscarello (center in white) joins other attendees at the celebration of the opening of Helpers Academy.*

# Update on the 20/20 Project

## The Campaign to Ban Late Term Abortions in NJ by the Year 2020

**Postcard Campaign to New Jersey legislators,** urging their support for the “Pain Capable Unborn Child Protection Act”. Watch for details.

**Back By Popular Demand.** A fresh supply of Baby Feet car magnets -- sold out twice -- are now back in stock. If you wish to purchase one or more (\$2/each), see Pro-Life Apostolate members Monica Lenthe, Barbara Coscarello, Gloria Sabato or Leona Negovetich.

**20/20 Mass Project:**

So far 1,425 Masses have been arranged!

**GOAL:**  
2,400 Masses arranged for the “Protection of Babies in the Womb and Their Families” by the end of 2018.

Category	Percentage
Total Masses arranged	40.6%
Masses Needed to Reach Goal	59.4%

**Mass Project.** Please help reach our goal of 2400 Masses offered for the unborn and their families by December 2018. Forms are in the St. Martha Room on the Pro-Life table display.

# A Tribute to Fathers

There was pizza, inspirational video clips, and lots of round table discussion on the eve of Father's Day as about 30 fathers and sons gathered in DiMarzio Hall to celebrate fatherhood and exchange thoughts about what it means and what it takes to be a good father.

Special thanks Knights Henry Verrechia and Bill McCusker for spear-heading this event.

*Grand Knight Lou DiLoreto presents a check for \$1,000 to the volunteers and clients of Helpers of God's Precious Infants, one of the two organizations to benefit from this year's Knights of Columbus Baby Bottle Campaign.*
