A Reflection on Fatherhood

"Now, more than ever ... we need good fathers. We need their courage and strength, their good humor and hard work, their protection, judgment, perseverance, discipline and love. Fathers who, along with loving mothers, offer the best chance for that newborn — and our families, communities and country — to grow and thrive."

The Joshua Initiative. Just like Joshua marched around the walls of Jericho and the walls came tumbling down, pro-lifers formed a procession around the block of abortion clinics across the country last week, including here in Cherry Hill, NJ, praying in public witness for an end to abortion.

Do You Know What This Is?

Keep filling those baby bottles you picked up on Mother's Day with cash. See how quickly that spare change adds up over the six weeks of this campaign!

SPECIAL NOTE: Every year, parishioners respond very generously to this pro-life project. But often the bottles themselves don't get returned. 😞

Every bottle that is not returned results in **one less dollar** in donations to Good Counsel Homes because replacement bottles must be purchased for the following year.

So be sure to bring your donation AND your baby bottle back on Father's Day weekend.

Just like...a boomerang!

Savoring LIFE at Good Counsel's "Taste for Life" event

Left: Pro-Life Apostolate members Barbara Harkins and Tracye McArdle, with Bill McCusker, enjoyed sampling the signature dishes of 14+ South Jersey chefs, all in support of Good Counsel Homes/SJ, a haven for homeless pregnant women and their children. **Right:** They were joined at their table by Donna Goodwin, Pro-Life Coordinator of the Trenton Diocese along with several other Diocesan staff.
