

PRO-LIFE NEWS

On the Sidewalks of Cherry Hill 40 Days for Life Campaign Has Local Impact

“Most of the women we serve, we meet outside the abortion clinic”, explains a volunteer with Helpers of God’s Precious Infants. “We try to have a presence there each and every day they are open. We strive to combat lies with truth and fear with comfort and understanding.”

YOU have an opportunity to help the Helpers by joining them in prayer during the *40 Days for Life* campaign this month outside the Cherry Hill Women’s (Abortion) Center. **Can you spend just one hour on one Saturday from 10 AM to 11 AM?**

During last year’s campaign, 26 babies were saved from this Kings Highway facility alone. And in the first week of the current effort, an abortion-minded mom has already turned away from her appointment with death. This is as a direct result of the prayer volunteers and sidewalk counsellors who are bringing God’s love to all who enter the facility.

Upcoming Event

September 28 - November 6

50 States in 40 Days National Campaign Kicks off in NJ

The National 40 Days for Life Campaign launched its bus tour across our nation by visiting with prayer volunteers outside the Cherry Hill Women's Center on September 29.

(LEFT) After prayer and words of encouragement, Steve Karlen, Director of the North American Campaigns, invited everyone to sign their name to the USA map embossed on the outside of the 40 Days bus.

(RIGHT) One of the youngest prayer warriors signs up for updates from the National 40 Days campaign.

Glory, a Good Counsel Homes mom, and her baby join JoAnn DiNoia, Director of Fund Development, in accepting another record breaking donation from Grand Knight Lou DiLoreto. Funds were raised through our Knights' annual baby bottle campaign.

Good Counsel is preparing for its upcoming banquet on October 27. See Page 1 for details. Join our parish's table by calling Tracye at 856-770-8488.
