“The Most Basic & Fundamental Right”

Pope John Paul II: Apostolic Exhortation *The Vocation and the Mission of the Lay Faithful in the Church and in the World (Christifideles Laici)*, 1988:

"The inviolability of the person, which is a reflection of the absolute inviolability of God, finds its primary and fundamental expression in the inviolability of human life.

Above all, the common outcry, which is justly made on behalf of human rights -- for example, the right to health, to home, to work, to family, to culture -- is false and illusory if the right to life, the most basic and fundamental right and the condition of all other personal rights, is not defended with maximum determination."

Bishop Sullivan Prays with "40 Days for Life" Volunteers

The abortion clinic staff was ready for us, with their signs and protest line in front of their Kings Highway facility.

But that did not deter dozens of peaceful volunteers from facing them and praying the rosary - for the abortion-minded women entering the clinic and for the staff, that ALL would have a change of heart and love both the mom and her baby.

LIFE...

You can BOOK ON It!

Volunteers at 1st Way of West Collingswood, a pregnancy resource center, were delighted to receive dozens of handmade cloth baby books to include in their layettes for new moms in need. Special thanks to Barbara Kohler and her family for their loving handiwork and donation.

The group was particularly uplifted when Bishop Dennis Sullivan came to pray in solidarity with us. To have the presence of our Bishop among us on that sidewalk was indeed a powerful optic for passers-by, and a source of encouragement and inspiration for all who "fight the good fight" everyday, to help mothers choose life for their babies.
