Bishop Sullivan Prays in Solidarity with "40 Days for Life" Participants

Lives SAVED at Cherry Hill Abortion Clinic

Report from our local 40 Days Coordinator, Claire Howson:

The 40 Days campaign is reporting that 492 babies were saved from abortion during the Fall Campaign. Our Cherry Hill location reported 4 of these.

Thank you for your prayers, fasting, and your peaceful, prayerful presence at the Cherry Hill Women's Center.

Please continue to pray for an end to abortion in Cherry Hill and a closing down of this horrible place. I hope you will continue to go out to what Monsignor Philip Reilly calls this "modern day Calvary" and pray. It has been proven over and over again that our presence saves lives. What is a better use of your time?

Helpers of God's Precious Infants are usually present mornings, Tuesday thru Saturday.

I am planning to have a group present on Tuesday, December 12 for the Feast of Our Lady of Guadalupe at 12 noon. *That would be 12/12 at 12!*

Mark your calendars.
