Be Prepared to Deal with "Grave Situations"

Some New Jersey legislators, including several in our South Jersey area*, seem obsessed with DEATH. Over the last four years, they have repeatedly introduced **and passed** so-called "Death with Dignity" legislation. Each time, citizens successfully fought back and our previous governor consistently promised to veto such legislation. But the new governor will likely be more inclined to sign an assisted suicide bill into law. As of this publication, A1054 and S1072 ("Aid in Dying for the Terminally Ill") are rapidly moving through committees.

What Can You Do?

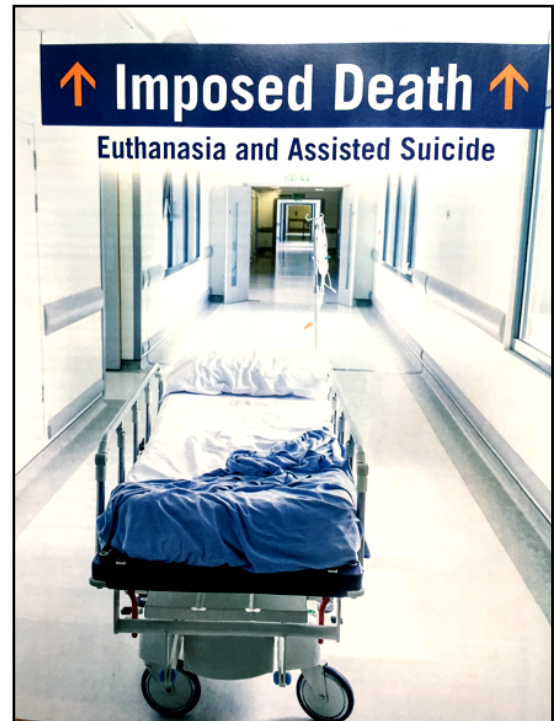

If you live in New Jersey, CALL your state legislators and tell them you oppose the intentional ending of human life by euthanasia or assisted suicide. To find your state legislators: www.njleg.state.nj.us

GET INFORMED on what to expect with end-of-life issues and what precautions are available to ensure that loved ones are protected during the most vulnerable period of their lives. To this end, the Mater Ecclesiae Pro-Life Apostolate will be handing out FREE copies of the publication, **"Imposed Death"** by the Human Life Alliance.

Distribution will be after all Masses on the weekend of April 7 - 8.

This brochure is filled with information -- shocking statistics, real life stories of people who have been impacted by ill-conceived current end-of-life policies. It addresses questions like:

- Are you sure you would NEVER want to be "hooked up to a machine"?
- Cautionary facts about organ donation.
- Is it better to have a "Living Will" or a "Durable Power of Attorney for Medical Care"?

*Get your FREE COPY of this
informative publication after Mass
on April 7 and 8.*

* SJ legislators who have sponsored assisted suicide bills currently or in the past: John Burzichelli (D-Gloucester), Gabriela Mosquera (D-Turnersville), Stephen Sweeney (D-West Deptford)

Three Ideas for Building a Culture of Life

For UNDER \$30

OK, so there's no such thing as a free lunch. But there are definitely some inexpensive ways to spread the word about the sacredness of human life.

If you can afford the cost of a cup of coffee each day, you can afford any of these simple and effective life-affirming efforts:

Mass for the Unborn. Arrange for a Mass to be said in any Catholic Church: “*For the Protection of All Unborn Children*”. The Mass Intention will be seen and heard by hundreds of parishioners. Part of the 20/20 Project, help reach the goal of 2,400 Masses by December 2018. Let us know about any Masses you arrange (forms in St Martha Room) so we can add your Masses to the count.

\$15/Mass

“Choose Life” License Plate. Take the pro-life message on the road with you wherever you drive. Available in NJ and PA. In NJ, call the sponsoring agency, The Children First Foundation, at 888-652-4667 to request an application form, OR email them at info@thechildrenfirst.org (A one-time \$25 fee to NJMVC is also required.)

\$25/year

Pro-Life Car Magnet. A magnet on the back of your car could save a life! This is another element of the 20/20 Campaign to remind people of the humanity of babies in the womb. Available from the Pro-Life Apostolate.

\$2/magnet

Feast of the Annunciation March 25

A Message from our Local Coordinator, Helpers of God's Precious Infants

I was alerted to a fundraiser event for
Planned Parenthood being held at the
Desmond Hotel in Malvern, PA. See the
advertisement below.

If anybody would like to write to the hotel or
call and voice your opinion that ***Planned
Parenthood is the biggest provider of
abortion in the USA and is not a true
advocate of women's health.***

Here is the contact
information:

The Desmond Hotel
1 Liberty Blvd.
Malvern, PA. 19355
610-296-9800

Years ago I wrote to a brewery that was
holding a fundraiser for Planned
Parenthood and the event was cancelled!
But even if this one is not, perhaps we
shouldn't let this opportunity pass. We can
inform the hotel and its employees that many
good people oppose Planned Parenthood's
agenda. They may reconsider hosting such
an event in future.
