

PRO-LIFE NEWS

For the pro-lifer, there is no clearer instance of the marginalized, the voiceless and the vulnerable than in the womb. And no more profound source of wonder at the limitless possibilities that human life is capable of achieving.”

UNPLANNED The Movie

Join us on Thursday, March 28, at 7 PM, for an exclusive showing of the pro-life movie, **Unplanned**.

This is the inspiring true story of Abbey Johnson, a Planned Parenthood Director who walked away from her work and became an ardent pro-life activist.

Although the movie opens on March 29, Claire Howson, local 40 Days for Life Coordinator, is arranging for a special airing one day in advance in the Cherry Hill area.

Let's fill the theatre. Call Tracye at 856-816-4907 for location and details.

Speaking of Movies...

The Mater Ecclesiae Pro-Life Apostolate will soon be setting up a **LENDING LIBRARY** of pro-life films that parishioners may borrow for three weeks at no cost.

Some of the titles include:

-- **Gosnell**: based on the shocking investigation and trial of Philadelphia abortionist Kermit Gosnell

-- **Demographic Winter**: a groundbreaking film about the decline of the human family and its social and economic consequences.

- **The Third Way**: authentically describes Church teaching on homosexuality and how those with same sex attraction can find shelter and love within the Catholic Church.

Details coming soon!
